Redding Piano Angels

Redding Piano Angels is a 501(c)(3) non-profit corporation devoted to connecting young piano students with acoustic pianos.

Our **Mission** is to assist piano students in the acquisition of a piano.

Our **Vision** is to create opportunities for piano students to enhance their skills and musicianship.

Our **Purpose** is to acquire used pianos for student use.

We are Redding area residents who believe students deserve to have a functional piano in order to advance their skills.

We identify and acquire pianos that are suitable for student and family use, resulting in placement with qualifying individuals.

Our love for piano music is the foundation for our commitment to its promotion.
